So I found the email that Steven sent me about the reimbursement, but I can't find the language - it's the same bill that Fabio sent last night.

Would that have been distributed at a Board meeting? Little was left/remained as to any files after he exited!

Good morning!

Do we have Whiddon's files (paper and electronic)? I can't find the reimbursement legislation that he distributed to the board - maybe it's in his files. I'm still looking.

Hugs,
Laurie
